

National Cattlemen's
Beef Association

2018 Policy Priorities

The five issues outlined below represent the top public policy priorities for NCBA in 2018. Visit our website or follow @BeltwayBeef for more information.

2018 Farm Bill

- ◆ Full funding for a foot-and-mouth disease (FMD) vaccine bank
- ◆ Protect conservation programs like the Environmental Quality Incentives Program (EQIP) and the Agricultural Conservation Easement Program
- ◆ Maintain research funding
- ◆ Protect trade promotion programs (Market Access Program/Foreign Market Development Program)
- ◆ Prevent market-disrupting policies

Regulatory Reform

- ◆ Find a permanent solution to electronic logging devices/Hours-of-Service
- ◆ Modernize the Endangered Species Act
- ◆ Replace the 2015 Waters of the United States (WOTUS) rule
- ◆ Protect producers from Superfund reporting regulations (CERCLA/EPCRA)
- ◆ Revisit and correct Range Reform '94
- ◆ Reform wildfire management and funding programs

Trade and Market Access

- ◆ Protect market access under the North American Free Trade Agreement (NAFTA)
- ◆ Protect market access under the Korea-U.S. Trade Agreement (KORUS)
- ◆ Promote bilateral trade agreements

Fake Meat

- ◆ Protect our industry and consumers from fake meat and misleading labels

Antimicrobial Use

- ◆ Secure clean Animal Drug User Fee Act (ADUFA) reauthorization
- ◆ Continue Key Technologies Task Force action steps on antimicrobials
